## About the Journal

**CIMEGS-SEJ** (Socio-Economic Journal) is an international, peer-reviewed academic journal published by the Canadian Institute for Middle East and Gulf Studies (CIMEGS). The journal offers an open-access platform for cutting-edge, interdisciplinary research addressing the evolving socio-economic, environmental, political, and technological dynamics of the Middle East and Gulf regions.

CIMEGS-SEJ focuses on high-impact scholarly contributions in the following core areas:

- Economic development and transformation in Gulf and MENA countries;
- Climate change and environmental governance;
- Digital transformation, smart technologies, and innovation;
- Cultural identity, migration, and geopolitical shifts;
- Public policy, governance, and institutional reform;
- Urban planning, architecture, and sustainable cities.

All submissions undergo rigorous double-blind peer review and are published under a Creative Commons license (CC BY 4.0) to ensure broad dissemination and long-term accessibility.
